Dear Parents and Carers,

Thank you to everyone who came to see our fantastic reception and KS1 children compete in their sports day on Monday afternoon. The children did a great job and it was lovely to see the enjoyment in their faces as they took part in the activities (with the exception of the egg and spoon race which was pure focus and determination!). We always aim to get the balance right when it comes to the competitive element of sports day. This however, went off the scale when it came to the parent's race! Luckily no one was injured and the school fence remains in one piece! The day would not have been such a success without the efforts of a few key people – our official school photographer, Mrs Whitewood; our sports lead, Mrs Goldspring and the master of the microphone, Miss Terry. We look forward to next Friday afternoon, when we will be hosting our rescheduled KS2 Sports Day.

Speaking of sporting achievements, we have some great news from the recent Watford and Three Rivers Schools Sports Partnership Awards. The awards, held on Monday night, celebrated the sporting achievements of 42 schools in the area. Representing the school as Play Leader of the Year was Diya in Year 5 and our Young Sportsmanship award went to Daisy in Year 6. Our fantastic swim team topped off an amazing year coming in second place overall as team of the year. This was the highest achievement we've had at the awards, but it didn't stop there. The final awards recognised the outstanding achievements of individuals in the sporting field. Each school in the area nominates an individual who has excelled in their chosen sport. This year the award was presented to our very own Jake in Y6 for sporting excellence, not only in the pool as part of the swim team, but also in the field of equestrianism where he competes on a national stage. He's definitely one to watch out for in future Olympics! Well done Jake.
