Dear Parents and Carers,

Welcome Back! I hope you have had an enjoyable and restful summer. The children have certainly had lots of exciting stories to share. It is lovely to see so many of them returning to school with big smiles and looking so smart in their school uniform. I can't believe how much some of them have grown!

A special welcome goes out to the new children and families who have joined our Sarratt School community this year. I hope you enjoy your time here and I look forward to getting to know you and your child over the coming months. To all of our families, I look forward to working together this year so your child can grow in confidence, with a love of learning, and a determination to be the best person they can be.

Mrs Nicola O'Hare
Head of School

Meet the Teacher

Meet the teacher sessions will be taking place this week for KS1 and KS2. This is a great opportunity to find out about what's in store for your child this coming academic year. There have been some changes to homework procedures which will be shared during these meetings. Following feedback, Cornerstones homework is now an optional extra to enrich the children's learning experience at home. In our ongoing efforts to reduce our use of paper, these will be sent out via Parentmail on the first Monday of every half term. We also have new CGP maths books which focus on number, word and 'real-life' problems. If you are unable to make the meeting, please contact the school office or speak to the class teacher to arrange an alternative date.
