		Clear message sent to parents that students should not be sent into school if unwell for both Covid-19 and any other illnesses/symptoms. School absence guidance sent out to all families currently attending school with details of symptoms - including less common symptoms seen in recent cases locally. <b>Staff</b> Wider government advice remains to work from home where possible. Limited school roles where this will be the case, roles which are able to do so effectively will be considered. Individuals classed as clinically vulnerable or extremely clinically vulnerable to have a risk assessment undertaken on their role and ability to maintain social distancing. Consider if these staff are able to work remotely or in areas / roles where maintaining social distancing is easier. Admin staff to work on site on rota basis and work from home the remaining time. Any existing individual risk assessments to be reviewed. See <u>COVID-19: guidance on shielding and protecting people defined on medical</u> grounds as extremely vulnerable	Encourage remote working after school hours to limit contact within staff team. Reinforced in January and monitored by HoS.

School staff supervising the child while they await collection should wear PPE (a			
fluid resistant surgical mask, type IIR) <b>if</b> a distance of 2m cannot be maintained. If direct care (such as for a very young child or a child with complex needs) is required then staff giving care to wear a fluid resistant surgical mask (type IIR), disposable apron and gloves.			
Clear message to parents that if a student is unwell at school they are to be sent home or collected immediately.			
Anyone who has had contact with those with symptoms to wash hands thoroughly. All areas occupied and equipment used by the affected person are to be thoroughly cleaned and disinfected (see PHE cleaning advice <u>https://www.gov.uk/government/publications/covid-19-decontamination-in-non- healthcare-settings</u> )			
<b>Testing</b> Staff / pupils who develop symptoms should be tested. Testing is most sensitive within 3 days of symptoms developing. Guidelines on who can get tested and how to arrange for a test can be found in the <u>COVID-19: getting</u> tested guidance.			
Tests can be booked online through the NHS website https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/Direct link is https://self-referral.test-for-coronavirus.service.gov.uk/antigen/name_or call 119 if they have no internet access.			
From 26 <sup>th</sup> August schools will be provided with 10 home testing kits which can be provided in the <b>exceptional circumstance</b> that you believe an individual may have barriers to accessing testing elsewhere. See https://www.gov.uk/government/publications/coronavirus-covid-19-home-test- kits-for-schools-and-fe-providers. Kits are not be given directly to children, only to adults over the age of 18 or a child's parent or carer. <b>Positive case in school</b> In the event of a positive case the local health protection team will be contacted and their advice followed. (see updated COVID-19 flowchart for schools on Herts Grid) Records kept of pupils and staff in each group.	Staff and pupils who are tested for Covid-19 to inform the school of result and date of test.		
A template letter will be provided to schools, on the advice of the health protection team, to send to parents and staff if needed.	Roll out of kits from August 26th

Summary - January 2021 Class bubbles to remain in place during lockdown for reduced numbers - critical worker and vulnerable children. Class bubbles remain with the class teacher and support staff and use normal classrooms, toilets and entrances. No mixing of bubbles. Staggering of lunch and breaks remain in place. Introduce staggered start and finish times to reduce congestion and contact at all times. Operate a one-way system through school, with families entering main gates and leaving via the Cricketers' car park. <u>Continued Jan 2021</u> Allocate groups different times Communicate changes and allocated times to parents / pupils. Staff on duty to monitor arrival / departure and site access points to facilitate social distancing – review as needed to reduce congestion. <u>Continued Jan 2021</u> Discourage parents picking up their children from gathering at the school gates. Introduce floor markings to aid social distancing (e.g. tape or survey spray) where controlled queuing will be expected. Communicate expectations to parents. Update: Request parents/ adults wear face covering if approaching a staff member or where a 2m distance cannot be maintained between other members of the community. Signs placed around site to remind adults of wearing face coverings.	HoS and Caretaker to be present at drop-off and pick-up to monitor and review as necessary	HoS Caretaker	Sept 20 Nov 20
