Statement of Intent

We are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. As a Church of England school we endeavour to apply and live by Christian principles. Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively.

What is bullying?

'Bullying is defined as deliberately hurtful behaviour, repeated over a period of time, where it is difficult for those being bullied to defend themselves. It can take many forms, but the three main types are physical, (e.g. hitting, kicking, theft), verbal (e.g. name calling, racist remarks) or indirect (e.g. spreading rumours, excluding someone from social groups).

DfEE Circular 10/95]

Bullying is most commonly defined as including the following dimensions:

1. The behaviour is intended to cause distress
2. The behaviour is repeated
3. There is an imbalance of power between the perpetrator of bullying and the target

Bullying can be:

- Emotional: being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures)
- Physical: pushing, kicking, hitting, punching or any use of violence
- Racist: racial taunts, graffiti, gestures
- Sexual: unwanted physical contact or sexually abusive comments
- Homophobic: focussing on the issue of sexuality
- Verbal: name-calling, sarcasm, spreading rumours, teasing
- Cyber: all areas of internet such as email & internet chat room misuse
mobile threats by text messaging & calls
misuse of associated technology i.e. camera & video facilities

Aims

- to prevent, reduce and eradicate bullying in any form
- to have a consistent approach for dealing with bullying
- to ensure that all pupils, staff and parents are aware of this policy and their responsibilities
- to create a safe and secure environment for everyone

Standards

- All bullying is unacceptable.
- Sarratt CE School recognises the harmful effect of bullying on pupils and will effectively work to minimise the risks.
- Victims and perpetrators need to be treated in a supporting manner.
- Bullying is likely to have a harmful effect on pupils' performance and attainment.

Peer on Peer abuse

There is no clear boundary between incidents that should be regarded as abusive and incidents that are more properly dealt with as bullying. This is a matter of professional judgement.

If one child or young person causes harm to another, this should not necessarily be dealt with as abuse: bullying, fighting and harassment between children are not generally seen as child protection issues. However, it may be appropriate to regard a young person's behaviour as abusive if:

- There is a large difference in power (for example age, size, ability, development) between the young people concerned; or
- The perpetrator has repeatedly tried to harm one or more other children; or
- There are concerns about the intention of the alleged perpetrator.

If the evidence suggests that there was an intention to cause severe harm to the victim, this should be regarded as abusive whether or not severe harm was actually caused.

Staff, parents and children at Sarratt C of E School will work together to create a caring, friendly and safe learning environment. Abuse, whether verbal, physical or emotional, will not be tolerated. It is the responsibility of everyone to report and deal with any incidents quickly. In accordance with the Child Protection Policy, all staff will receive appropriate safeguarding children training, so they are knowledgeable and aware of their role in early recognition.

Incidents should be reported in the first instance to the Designated Senior Lead (Mrs. N O'Hare) or Deputy Designated Senior Lead (Mrs. M Serby).

Methods used to prevent bullying and peer on peer abuse

- Assemblies will be used to promote school values and provide a moral framework outlining acceptable behaviour. Core values will underpin the focus of each assembly and the messages will be reinforced through RE and PSHE.
- Where necessary, class assemblies and PSHE lessons will be used to address school or class issues as they arise.
- We will ensure that school is well supervised, especially at times when children may be more vulnerable.
- Play leaders will help lunchtime staff to engage children in positive play and help any child who seems unhappy.
- Staff will endeavour at all times to create surroundings where each child feels confident and at ease in school.
- Staff will ensure that children are empowered to say 'no' and understand how they can get help.
